5.1 Ms P H Mbatha-Cele, ANC, to move:

Le Ndlu iyakunaka:

Ukungasebenzi ngendlela kwamaphoyisa aseMadadeni, lokhu kubonakale ngesikhathi kusha umuzi wakwaKubheka e-2283 amaphoyisa obekumele akwenze ngesikhathi.

Ngakho-ke le Ndlu inquma kanje:

Ukuba uNgqongqoshe Wezokuphepha Nokuxhumanyiswa Komphakathi alulandele lolu daba lwase-2283 Madadeni.

[This House notes:

The unsatisfactory manner in which police officers from Madadeni operate; this was evident when the Kubheka House No. 2283 caught fire and police were supposed to respond timeously.

This House therefore resolves:

To call on the MEC for Safety and Community Liaison to follow up on the incident that took place at House No. 2283 in Madadeni.]

5.2 Ms Z L I Cele, ANC, to move:

This House notes:

The increasing number of rivers that are being polluted across KwaZulu-Natal and many other parts of the country;

This is a cause for concern as it poses a danger to humans and animals, and

The environment and entire ecosystems are suffering as a result of pollution.

This House therefore resolves:

To call on the Department of Economic Development, Tourism and Environmental Affairs to engage all relevant social partners, including the [national] Department of Water and Sanitation and our own municipalities to combat this challenge.

5.3 Bishop E V Dube, ANC, to move:

This House notes:

The spate of serious crimes in our areas as criminals are on a rampage;

The fatal shooting which led to the untimely death of Mr Mdu Ngubane, a male nurse who was described as an excellent, reliable, dedicated and responsible nurse who always had a wonderful attitude and a good record of work attendance, and

That MEC Simelane-Zulu described his death as a “shocking and senseless murder.”

Ngakho-ke le Ndlu inquma kanje:

Ukunxusa ukuba kube nenkulumo-mpikiswano ngalobu bugebengu bokubulawa kwezakhamuzi.

Ukunxusa ukuba abomthetho basebenzisane nemiphakathi ukulwisana nesihlava sobugebengu.

[This House therefore resolves:

To call for a debate on this kind of criminality that involves the killing of citizens; and

To call on law enforcement agencies to work with communities to fight the scourge of crime.]

5.4 Ms A G Mapena, ANC, to move:

This House notes:

The DA’s disappointing and continued scepticism and naysaying whenever a black person is appointed to a significant position;

That, notwithstanding the aforementioned, we congratulate the new Police Commissioner, Khombinkosi Jula, on his appointment;

That the commissioner was not able to perform miracles in the Western Cape; and

That a strong administration requires strong political leadership on oversight.

This House therefore resolves:

To call on MEC Kaunda, a trusted ANC deployee, to continue working tirelessly in fighting crime and violence in KwaZulu-Natal.

5.5 Ms T J Gumede, IFP, to move:

This House notes:

That a permanent placement is being sought for a seven-year-old homeless child who was allegedly prostituted by her mother to satisfy her drug habit; and

That the child was taken in by social workers of the Verulam Child and Family Welfare Society last week.

This House therefore resolves:

To call for a more coordinated approach by all stakeholders to create circles of care for children; and

To urge the police, social workers and the judiciary to ensure that when children or families report incidences of violence, effective and timely action is taken to keep them safe, and to be available to support their recovery.

5.6 Mr M B Gwala, IFP, to move:

Le Ndlu inaka lokhu:

Ikhathazekile ngokuthi kubonakala luzoqala phansi uthuli lwempikiswano olwaludalwe yiKhomishana kaMotlanthe ngodaba lomhlaba wamakhosi ongaphansi kweso leNgonyama;

Lokhu kuzodalwa yiKhomishana eyaqokwa nguMengameli uRamaphosa ukubheka ukuthi kumele sichitshiyelwe yini isahlukwana 25 soMthethosisekelo esimayelana nokudliwa komhlaba;

Le Khomishana, phakathi kokunye, iphakamise ukuba umhlaba wamakhosi udliwe nguhulumeni noma kubuyezwe uMthetho omayelana nokuphathwa kwalo mhlaba;

Okukhathaza kakhulu ukuthi nathi lapha kule Ndlu kasiboni ngasolinye kulolu daba;

Isizathu esikhulu salokhu ukuthi kasinalo ulwazi olulinganayo ngomlando kanye noMthetho olawula lolu daba.

Ngakho-ke le Ndlu inquma kanje:

Ukunxusa uSomlomo ukuba asimemele abasingethe uMkhandlu weNgonyama obheke lo mhlaba ukuba kebeze bazochazela amalungu ngalolu daba ukuze sonke sigcine sinokuqonda okufanayo ngalo futhi sikhulume ngazwilinye.

[This House:

Is concerned that there seems to be a re-emergence of the negative backlash that was caused by the Motlanthe Commission regarding the issue of Ingonyama land;

This will be caused by the Commission that was appointed by President Ramaphosa to look into the feasibility of amending section 25 of the Constitution, which is a property clause;

This Commission has recommended, inter alia, that amakhosi land either be expropriated by the government or that legislation which regulates this land be reviewed;

What is even more worrying is that Members of this House are divided on this issue; and

The major reason for this division is that we do not all have the same level of knowledge [understanding] about the history and legislation that regulate this [land] issue.

This House therefore resolves:

To call on the Speaker to invite the trustees of Ingonyama Trust Council who manage this land to come and give the background to this matter so that we can all have the same understanding and we speak with one voice.]

5.7 Mr M Khawula, IFP, to move:

Ukusincoma isenzo soMnyango ukuhlonipha izingwazi zakithi ngamakhono azo;

Ukunxenxa uMnyango ukuba umfake kulolu hlu u-Tap Tap ukuze acoshe lokhu kuhlonishwa esadla anhlamvana esikholwa ukuthi kuyomjabulisa kakhulu hleze kumandisele nezinsuku empilweni yakhe esibuthakathaka.

[This House notes:

And applauds the announcement made by the KZN MEC for Arts and Culture & Sport and Recreation to honour and reward renowned artists and singing legends who have been based in the Province of KwaZulu-Natal;

That the MEC mentioned prominent artists such as Sipho Gumede, Brian Thusi, Mazisi Kunene and Sibusiso Nyembezi;

However, that there is also a boxing legend [who comes from this province] who was the first black person to bring home the world title, Tap Tap Makhathini. Hailing from the rural area of Eshowe, Tap Tap Makhathini became famous throughout the world for his boxing prowess.

This House therefore resolves:

To commend the department's move to honour our legends for their art; and

To urge the department to add Tap Tap Makhathini's name to this list so that he too can be honoured during his lifetime; he would be so thrilled by this that it may even prolong his life because he is not in the best of health at the moment.]

5.8 Dr I Keeka, DA, to move:

This House notes:

The allegations of sexual impropriety at Grosvenor Girls High School in eThekweni.

This House therefore resolves:

To call for all investigations to be expedited lawfully;

To ensure swift consequence management in the event of any proved wrongdoing;

To ensure that learning and teaching are not disrupted; and

To remind learners that, despite possibly having plausible reasons for their actions and activism, they should remain dignified and respectful of school property.

5.9 Mr Z M Mncwango, DA, to move:

This House notes that:

A new Police Commissioner for KwaZulu-Natal, General Jula, has been appointed;

The current commissioner tried to ban public representatives from conducting oversight visits at police stations in KwaZulu-Natal last year;

He allegedly kidnapped and illegally arrested some 50 police officers who peacefully handed over a memorandum of demands to his office; and

The DA looks forward to engaging with General Jula in the interest of all people's safety in KwaZulu-Natal.

This House therefore resolves:

To welcome the decision to remove General Mkhwanazi; and

To call on General Jula and MEC Kaunda to speedily initiate a process of mediation between SAPS officers and management.

Lo mphakathi wehlise amaphaphu emva kokufika kwezethembiso zokuwacasha amacubane ngomuso ngoMhlonishwa u-Kaunda kanye nomholi wesifunda, uKhansela uMkhombo;

Kunokuqandula kwempindamphehlu nephunga lokuthi babona sengathi bebebanjiswa utalagu, bazibona bembiswa iqanda lenjelane.

Ngakho-ke le Ndlu inquma kanje:

Ukuba kube nokuhlanganisa amakhanda okuphuthumayo kwaMpukunyoni futhi bengashiwa ngaphandle abahlonishwa abavela kulesiya siFunda, ukuze kukhendlwe ikhambi elingujuqu.

[This House notes:

The aftermath of an incident that left the route for vehicles (road) damaged by burning tyres, as well as young boys slapping old people across the face, instigated by the community of Mpukunyoni at Nkomokayixoshwa;

That the community was seething with anger at the shortage of water in the area;

That the community only calmed down after hon MEC Kaunda and the district leader, Cllr Mkhombo, promised that the community would get water in the near future;

There seems to be this recurrent theme of making false promises and misleading the community.

This House therefore resolves:

To call for the establishment of an urgent consultative forum at Mpukunyoni that should include all honourable members from that district in order to find a lasting solution.]

5.11 Ms S Thakur-Rajbansi, MF, to move:

This House notes:

That the abandonment of babies is an ever-growing epidemic in South Africa; and

Kanti noMhlonishwa u-Frazer uyalwazi udaba;

Umhlonishwa u-MEC owaphumayo uDlungwana wathembisa okufanayo.

Ngakho-ke le Ndlu inquma kanje:

Ukuba uMhlonishwa uMshengu ake enze okwehlukile; ayeke ukuthembisa, enze ukuze sakhiwe lesiya sikole.

[This House notes:

Understands and is concerned by the protests being waged by the community of Vimbukhalo in Bergville following broken promises made to them to build a school;

That hon Duma led a delegation in January that promised to deliver mobile classrooms, toilets and water;

That hon Frazer is aware of this matter; and

That [former] hon MEC M Dlungwana had made the same promises.

This House therefore resolves:

To call on MEC Mshengu to do things differently by delivering on the promises that were made regarding the construction of that school.]

The recent announcement by Transnet, a state-owned company, regarding its exciting plan to collaborate with the World Bank Group's International Finance Corporation (IFC) to commit \$2 million to conclude a feasibility study as part of developing South Africa's natural gas infrastructure in the Port of Richards Bay; and

That it is sad that Mr Meyiwa died while calling for justice following his son's murder; no arrests have been made to this day, despite the fact that the late Senzo Meyiwa was killed in a house in the presence of others;

That it has been disgraceful to see how political exhibitionists, such as a certain Bishop who is known for the infamous Wewe [song and dance], were [jumping] up and down, promising the Meyiwa family heaven and earth after Senzo's death;

That these exhibitionists even hijacked Senzo's funeral and turned it into a circus.
