

WOMEN'S ANTHEM

All across the nations
All around the world
Women are longing to be free
No longer in the shadows
Forced to stay behind
But side by side
In true equality

Refrain (2x)

**So sing a song for women
For women everywhere
Let it ring around the world
And never, never cease
So sing a song for women everywhere
Equality development and peace**

Women can't be silent
When all around the world
People hurt and hungry children cry
We will sing out now for Justice and Development
And hold the rights
Of all the people high
So sing a song.....

Women now are working
To build a better world
Where the love of peace
Can rest on every shore
Where men lay down their weapons
And learn to love and share
And people work
To bring an end to war
So sing a song.....
