This House notes:

That 100 days after the creation of the Government of Provincial Unity (GPU), there is a need to evaluate its performance and effectiveness in addressing the pressing issues faced by the Province of KwaZulu-Natal.

- 11h15 to 11h25 - Introduction of the **1st ANC 2024/2025 Party Motion**
moved by Hon BN Sithole-Moloi (10 mins)

This House notes:

Several major infrastructure development projects across the Province of KwaZulu-Natal, having heeded the call made by President Ramaphosa during his first speech in Parliament after the 2024 general elections, when he said, “[...] we have a clear intention to turn our country into a construction site, as bridges, houses, schools, hospitals and clinics are built [...]”.

This House therefore resolves:

To call for a debate on the economic development stimulated through these major infrastructure development projects that can be seen throughout the Province of KwaZulu-Natal, and especially in rural areas.

- 11h25 to 12h25 - Debate on the Motion (60 mins)

- 13h30 to 13h40 - Introduction of the **2nd MK 2024/2025 Party Motion**
moved by Hon JPN Gasa (10 mins)

This House notes:

That tuckshops should be regulated by legislation as a matter of provincial priority because we have buried children in Ladysmith because of food poisoning, while children from uMlazi and Lindelani have had to be hospitalised for the same reason; and

Our local economy has been taken over by illegal foreigners while ordinary South Africans continue to miss out on small business opportunities, from salons to retail, barbershops, tuckshops and many more.

This House therefore resolves:

To call for the food industry (manufacturing, processing, etc.) to be regulated to be solely in the hands of those feed the nation – and that is us.

- 13h40 to 14h40 - Debate on the Motion (60 mins)
- 14h40 to 14h45 - Response to debate by the Mover of the Motion (5 mins)
- 14h45 to 14h55 - Introduction of the **1st DA 2024/2025 Party Motion** by Hon M Nair the Mover (10 mins)

This House notes:

That the water supply crisis in KwaZulu-Natal is worsening, with no effective, sustainable solution on the horizon;

That this man-made crisis, which is robbing residents of their most basic human right, is crippling our economy; and

That municipalities are failing to resolve this problem by themselves.

This House therefore resolves:

To remind municipalities that KwaZulu-Natal's success is dependent on whether government can get a consistent and an affordable water supply to residents and businesses – now, not in the future.

- 14h55 to 15h55 - Debate on the Motion (60 mins)
- 15h55 to 16h00 - Response to debate by the Mover of the Motion (5 mins)

- 16h00 to 16h10 - Introduction of the 3rd MKP 2024/2025 Party Motion
by the Mover (10 mins)

This House notes:

The challenges faced by Emergency Medical Response Services (EMRS) in KwaZulu-Natal;

EMRS plays a critical role in saving people's lives in a province that is plagued by social ills and high levels of violent crime, coupled with poor roads and infrastructure; and

While attempts by SAPS to curb crime are ongoing, EMRS probably remains one of the best tools the department can use to reduce deaths associated with crime and accidents.

This House therefore resolves:

To commend EMRS for continuing to play a significant role despite the fact that the department is struggling with budgetary constraints and a high number of medico-legal claims.

- 16h10 to 17h10 - Debate on the Motion (60 mins)
- 17h10 to 17h15 - Response to debate by the Mover of the Motion (5 mins)

- 12h25 to 13h30 - Lunch**
- 13h30 to 13h40 - Introduction of the **4th MKP 2024/2025 Party Motion**

by Hon LSO Hadebe (10 mins)

This House notes:

That the unemployment rate in KwaZulu-Natal remains alarmingly high, echoing our ancestors' assertion that overcoming poverty is not a gesture of charity, but an act of justice;

Jacob Zuma also emphasised that economic transformation is essential for job creation;

White monopoly capital perpetuates inequality within a capitalist system, and MKP in its manifesto argues that capitalism favors few at the expense of many;

In advocating for socialism, we must consider nationalising the Reserve Bank and key entities in KwaZulu-Natal in order to redistribute wealth and create jobs and, ultimately, a more equitable society.

This House therefore resolves:

To debate the unemployment rate in KwaZulu-Natal.
