8.2 Debate on the following 1st IFP Party Motion:

On Thursday, 24 October 2024, hon LJ de Klerk of the IFP moved as follows:

This House notes:

With concern that salary increases for public servants are decided at national level, without adequate consultation with provinces; and

That this lack of consultation often results in unfunded mandates for provinces.

This House therefore resolves:

To request the Premier and his Executive Council to take urgent steps to engage with national government, through appropriate inter-governmental forums, to ensure that future salary increases for public servants are decided after proper consultation and in alignment with the fiscal realities of this province;

To call on the Provincial Treasury to resist unfunded mandates caused by salary increases; and

To advocate for an end to unfunded mandates.

8.3 Debate on the Consolidated Report by the MEC for Transport and Human Settlements based on Annual Reports submitted by Municipalities in terms of s.11 of the KZN Elimination and Re-emergence of Slums Act, 2007;

8.4 Debate on the following 4th MK Party Motion:

On Thursday, 24 October 2024, hon LSO Hadebe of the MKP moved as follows:

This House notes:

That the unemployment rate in KwaZulu-Natal remains alarmingly high, echoing our ancestors' assertion that overcoming poverty is not a gesture of charity, but an act of justice;

Jacob Zuma also emphasised that economic transformation is essential for job creation;

White monopoly capital perpetuates inequality within a capitalist system, and MKP in its manifesto argues that capitalism favors few at the expense of many;

In advocating for socialism, we must consider nationalising the Reserve Bank and key entities in KwaZulu-Natal in order to redistribute wealth and create jobs and, ultimately, a more equitable society.

This House therefore resolves:

To debate the unemployment rate in KwaZulu-Natal.

8.5 Report by the Premier on Programmes and or Plans by the KwaZulu-Natal Government aimed at ending the Scourge of Violence and Abuse directed to Women and Children; and

8.6 Debate and Voting on the Conferral of a Final Mandate on the Older Persons Amendment Bill [B11D – 2022].
